UCIrvine
UNIVERSITY OF CALIFORNIA, IRVINE

University of California, Irvine, is committed to providing equal opportunities for students with disabilities. The Disability Services Center supports the University's goal of promoting individual growth and development, civility, and diversity by providing disability-related programs and services. The Disability Services Center staff also serves as a resource for the entire University community, so that students with disabilities can freely and actively participate in all facets of University life. Upon being admitted to the UCI, students are encouraged to visit or contact the office without delay to arrange services. The staff at DSC will request that the student submit documentation of their disability. After evaluating the documentation, the staff at Disability Services will inform the student if they are eligible for services.

SERVICES AND ACCOMODATIONS

The Disability Counselors work with eligible students in securing both academic and non-academic accommodations. Even students who do not predict that they will need services while at UCI are strongly encouraged to consider registering with the office. Should an unexpected need for accommodations arise during the students' academic career, the staff of Disability Services Center can begin assisting the student immediately if the office already has the appropriate documentation on file.
